

# How to use the new ABPMR PIP Submission Platform

A brief tutorial

1 Go to [abpmr.fluidreview.com](https://abpmr.fluidreview.com)

2 Click "Sign up"

# 3 Enter your information

Hint: Register with the same email address you use for your ABPMR.org login

4

Check your email  
To confirm your account

5

Sign in to your  
new account

The screenshot shows the ABPMR PIP Submission Platform website. At the top, there is a navigation bar with "Home", "Sign In", and "Sign Up" links. The main header features the ABPMR logo and the text "ABPMR PIP Submission Platform For ABPMR Self-Directed Practice Improvement Projects". Below the header, there is a "HELP" link. The main content area includes a welcome message, a list of instructions for getting started, and a "Sign In" form. The "Sign In" form has fields for "Email:" (with the example "you@example.com") and "Password:" (with the placeholder "Enter your password here..."). A green "Sign In" button is located below the password field. An orange arrow points to the "Sign In" button. Below the "Sign In" form, there is a "Need An Account?" section with a "Sign Up" button.

For ABPMR Self-Directed Practice Improvement Projects

HELP

Welcome to the platform for ABPMR PIPs.

This site is the new submission platform for all PIPs offered by the American Board of Physical Medicine and Rehabilitation (ABPMR). Other PIP options are detailed on the [ABPMR website](#).

**Ready to get started on a free self-directed PIP from the ABPMR?**

Here's what you need to do:

1. Click the "Sign Up" button on this page and create your account
2. Check your email to confirm your account
3. Log in using your new credentials
4. Click the green "Get Started" button
5. Under "Tasks" and "Self-Directed PIP Submission Form," click the back button that says "Start"
6. Answer the initial screening question about which PIP you'll complete
7. Begin your PIP!

**Sign In**

[Forgot Signing ID?](#)

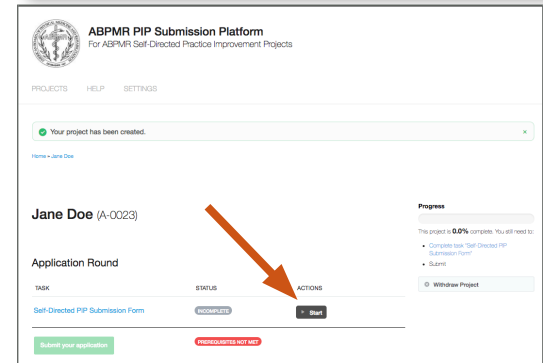

**Need An Account?**

[Sign Up](#)

⑥ Click "Get Started"

⑦ Click "Start"

## Select the project you'd like to complete

**Self-Directed PIP Submission Form** Back

**ABPMR PIP Form** 0%

Note: If you begin one of the Guided PIP projects and later wish to switch to another topic, your work will not automatically transfer over. In that case, we recommend copying all your work to a separate file (Word or similar) before you "Withdraw application" and start over.

Please make an initial selection below.

**Which ABPMR PIP are you completing?**

- Functional Assessment
- Inpatient Departure Checklist
- Injection Timeouts
- Stroke Anticoagulation Education
- SCAPP-R for Opioid Management
- Reducing TBI Readmissions
- Reducing Inpatient Acute Care Transfers
- Improving Wait Times
- Create my own project

# 9 Start your PIP!

## Self-Directed PIP Submission Form Back

### ABPMR PIP Form 0%

Note: If you begin one of the Guided PIP projects and later wish to switch to another topic, your work will not automatically transfer over. In that case, we recommend copying all your work to a separate file (Word or similar) before you "Withdraw application" and start over.

#### Functional Assessment

##### 1.) General Data

A) Describe, in detail, your role in the project.

B) Dates of your project:

Start date:

10

When your PIP form is complete, click 'Next' at the bottom of the page

**5.) Act: Change(s) to your practice as a result of this project.**

**A) Will you continue with the changes you have implemented?**

If you achieved your goal, describe how you will sustain your success, or how it led to new ideas. If you did not achieve your goal, how could you try again with new tactics? What will be your next process change to keep the improvement evolution going?  
*Example: Staff discussed concerns regarding execution of ODI on repeat visits. The next process change could utilize front desk staff to present the ODI to patients upon revisit.*

Don't forget to submit!  
On your dashboard, click 'Submit your application' to send your PIP to the ABPMR for review

The screenshot displays the user interface of the ABPMR PIP Submission Platform. At the top, there are navigation links for 'PROJECTS', 'HELP', and 'SETTINGS'. A green notification banner at the top states, 'Your form has been completed successfully.' Below this, the user's profile 'Jane Doe (A-0023)' is shown, along with a 'Download project' button. A progress bar indicates the project is 50.0% complete, with a list of tasks to be completed, including 'Submit'. A table lists the tasks, with the 'Self-Directed PIP Submission Form' task marked as 'COMPLETE' and having 'View', 'Edit', and 'Delete' actions. Below the table, a green button labeled 'Submit your application' is highlighted with an orange arrow, and an 'INCOMPLETE' button is also visible. At the bottom, a note states, 'Projects are not sent for review until completed and submitted.'

# Final Tips

To view or switch to a different project, scroll all the way down to the bottom of the page and click 'Back'

- The 'Back' button on the top of the page takes you to your dashboard, not back to the list of projects
- If you have entered data in any of the fields, it will not transfer to a different page. Please copy and paste your work into another application to save it

**5.) Act: Change(s) to your practice as a result of this project.**

**A) Will you continue with the changes you have implemented?**

If you achieved your goal, describe how you will sustain your success, or how it led to new ideas. If you did not achieve your goal, how could you try again with new tactics? What will be your next process change to keep the improvement evolution going?

*Example: Staff discussed concerns regarding execution of ODI on repeat visits. The next process change could utilize front desk staff to present the ODI to patients upon revisit.*

# Final Tips

Click "Save" on the bottom of the page at any point to save your work

- Note the "Your changes have been saved successfully" message at the top of the page
- If some fields are blank, the platform will remind you of this — but your progress has been saved

A screenshot of the ABPMR PIP Submission Platform interface. At the top left is the ABPMR logo. The header reads "ABPMR PIP Submission Platform" and "For ABPMR Self-Directed Practice Improvement Projects". Below the header are navigation links for "PROJECTS", "HELP", and "SETTINGS". A green success message box at the top says "Your changes have been saved successfully." Below this is a breadcrumb trail: "Home > Jane Doe > Self-Directed PIP Submission Form". The main heading is "Self-Directed PIP Submission Form" with a "Back" button. Underneath is the "ABPMR PIP Form" section, which shows a progress bar at 10%. A red warning message box at the bottom says "Please check your answers below and correct them before continuing." Two orange arrows point from the text in the list to the success and warning messages respectively.
